Visualizes detailed information on pharmaceutical products.

Hi-Code

Coupon scanning app for marketing purposes, used OpenCV on iOS.
<https://itunes.apple.com/it/app/hi-code/id909989001?mt=8>

The graphic is a promotional advertisement for the Hi-Code app. On the left, there is text in Italian: 'Non più un QR code freddo e anonimo' (No more a cold and anonymous QR code), followed by 'HI-CODE, IL NUOVO QR CODE CON IMMAGINI E TESTI' (Hi-Code, the new QR code with images and text), and 'Comunica un messaggio chiaro ed immediato ai tuoi clienti!' (Communicate a clear and immediate message to your clients!). In the center, a standard black and white QR code is crossed out with a large yellow 'X'. On the right, there is a circular graphic with a black and white checkered border. Inside the circle is a realistic image of a hamburger with a sesame seed bun, lettuce, and a beef patty. Below the hamburger, a red banner contains the text '-30% SCAN & COUPON' in white and yellow.
